

# Once Upon a Summer Estuary 2016 for ages 2-5

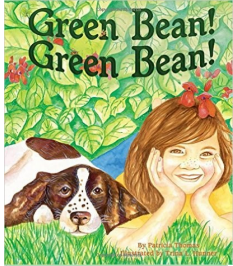

9:45-11:00 on most Thursdays in July and August. Children, with an adult, are invited to come listen to a story, play games and make a craft. Many activities will be outside so please come dressed ready for some outdoor fun! \$3 per child or \$5 per family. Pre-registration is required. Please call 778-0015 and ask for Jay or Beth or email [Beth.Heckman@wildlife.nh.gov](mailto:Beth.Heckman@wildlife.nh.gov).

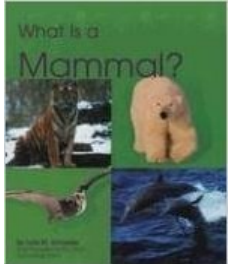

Thursday July 7

Do you know how rocks are formed and what the different kinds are called? Join us as we get down and dirty playing with rocks and find a special one to take home.

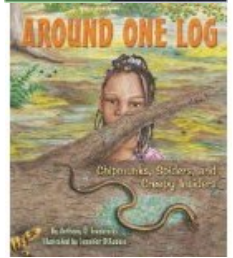

Thursday July 14th

Join us as we learn about the life cycle of a plant and how it grows. Help us do some work here in our garden at the Discovery Center and plant seeds to take home.

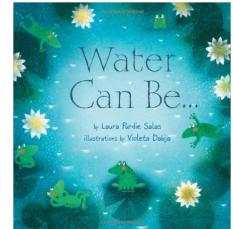

Thursday July 21st

Join us as we learn about these animals that live around Great Bay and even in your own backyard! Come ready to do some exploring and see how many we can find.

Thursday July 28th

Join us we talk a walk in our woods and explore all our downed trees. Why are they so important and what critters will we find?

Thursday August 10th

Join us as we learn about how important water is to us and all the different forms it can take. Then be ready to go down to Great Bay and have some fun playing with water!

Thursday August 18th . Join us as we learn about the Wiggin Family and the home they made right here on the shore of Great Bay. Learn about some of their adventures and try their favorite drink!
